

Arlington Soccer Club – Player Jersey Agreement

The team game jersey received by your son/daughter is the property of the Arlington Soccer Club and is to be returned in good condition at the end of the soccer season. In the event the jersey is damaged while participating in an Arlington Soccer contest, the Club will be responsible for replacing the jersey. If the jersey is damaged in any way (including not following proper washing instructions) while not being worn as part of an Arlington Soccer contest, or not returned at all, will result in a \$25.00 fee being assessed to replace the game jersey.

I have read the above conditions and agree to either return the game jersey in good condition or pay the Arlington Soccer Club a fee of \$25.00 to replace the jersey.
